

ALLERGEN STATEMENT

To whom it may concern:

Soom Foods tahini products do not contain any of the allergens or food sensitivities listed below:

Animal Products & Derivatives
Celery Products & Derivatives
Dairy Products & Derivatives
Egg Products & Derivatives
Fish Products & Derivatives
Gluten (Barley, Malt, Oats, Rye, Wheat, etc)
Lupine
Mustard
Peanut Products & Derivatives
Shellfish
Soy Products & Derivatives
Tree Nuts & Derivatives

Our tahini products are made from 100% sesame seeds and do not contain preservatives or other additives.

Our tahini products are manufactured in facilities that manufacture other products, but they are processed in separate rooms, on separate equipment. While cross-contamination is unlikely, it is possible, and we defer to you to make the best decisions for you and your loved ones.

We defer to you to make the best decisions for you and your loved ones.
